The SMA Prep Sweatshirt is the ONLY authorized sweatshirt to be worn with any of the SMA Prep uniforms (dress, polo, or PE uniforms). It is authorized for wear inside the classrooms/buildings ONLY with the teacher's permission and during passing time. Sweatshirts may only be worn zipped up with the sleeves and hood down. Sleeves may not be rolled or pushed up. Sweatshirts may not be draped around the neck or tied around the waist. "Spiritwear" is not authorized to be worn with the SMA Prep uniform.

Formation Sweatshirt Days

A "Formation Sweatshirt Day" is determined by administration using guidelines based on the temperature dropping and remaining below 70 degrees for the day but not being cold enough to be designated as a "Cold-Weather Day". During a Formation Sweatshirt Day, cadets may wear their SMA Prep sweatshirts in formation and according to proper-wear guidelines.

Cold Weather Outerwear Policy for Designated Days

On days when the weather is predicted to be a "Cold-Weather Day" (approximately 55 degrees or below), the Head of School or designee may implement the Cold-Weather Outerwear Policy enabling cadets to wear coats/jackets as outerwear. Families are asked to do their best to provide conservative, plain black or dark colored coats/jackets when possible. Sweatshirts/hoodies (other than the SMA Prep sweatshirt) **are prohibited** as the outermost layer on cold weather days. Cold-Weather Days apply to both the SMA Prep dress uniform and polo uniform. The following guidance is provided for Cold-Weather Days:

- Outerwear (coats/jackets) must be worn fully closed (buttoned, zipped, or snapped).
- Multiple coats/jackets (layering) are authorized to include rain coats. If layering with sweatshirts, only the SMA Prep sweatshirt is allowed as the outermost layer.
- Outerwear (coats/jackets) are to be worn outside only.
- When the cadet enters a classroom, the outerwear (coats/jackets) should be removed and placed on the back of the cadet's seat or in his/her backpack. The cadet may continue to wear the SMA Prep sweatshirt while in the classroom on designated "Cold-Weather Days" with the teacher's permission.
- Cadets are also authorized to wear hats, gloves, and scarves on designated cold-weather days as needed. These items must be removed while indoors.

Care and Maintenance of Uniforms

Standards to be met while in uniform include maintaining the uniform in a clean and serviceable condition. After initial purchase of all uniforms, it is the cadet's/parent's/guardian's responsibility to properly maintain the uniform. This includes: laundering, dry cleaning, sewing on lost buttons, necessary mending, replacement of broken zippers, and repair of torn/loose hems. Uniforms deemed to be in disrepair must be replaced.

GROOMING STANDARDS**Hairstyles**

Extreme, eccentric, or faddish haircuts/hairstyles are not authorized. If dyes, tints, or bleaches are used, they must result in a NATURAL hair color. Hair cannot be more than one color.

Male Haircut and Shaving

Male cadets must keep the hair on top neatly groomed. Extreme, eccentric, or faddish haircuts or hairstyles are NOT authorized. Further, the hair must not touch the ears or the collar of the Dress Uniform shirt. In any case, the length cannot exceed 2 inches (or less if hair is thick). The hair must present a TAPERED appearance. Also, inappropriate styles that result in shaved portions of the scalp (other than the neckline) or designs cut into the hair are prohibited.

Males will be clean-shaven; however, they may have sideburns. If worn, sideburns will not extend below the bottom of the ear opening, and they are NOT allowed to end in a "point"; they must end with a solid horizontal cut that is not angled. Sideburns will not be tapered or flared. The length of sideburn hairs when extended will not exceed 1/8 of an inch. Mustaches are permitted; if worn, males will keep mustaches neatly trimmed, tapered, and tidy. No portion of the mustache will cover the upper lip line or extend sideways beyond the corners of the mouth. Male fingernails may not extend past the tip of the finger.

Female Hair Standards

Many female hairstyles are acceptable, if they are neat and conservative. Extreme, eccentric, or trendy haircuts or hairstyles are not authorized. If cadets use dyes, tints or bleaches, they must choose those that result in natural hair colors (not two-tone styles.) Additionally, females will ensure that hair is neatly groomed, that the length and bulk of the hair are not excessive, and that the hair does not present a ragged, unkempt, or extreme appearance. Females may wear braids if the braided style is conservative, the braids lie closely on the head, and any hair-holding devices comply with the standards below. For further explanation, the female hair standards are broken into three different categories:

a) Short length. Short hair is defined as hair length that extends no more than 1 inch from the scalp (excluding bangs). Hair may be no shorter than 1/4 inch from the scalp (unless due to medical condition or injury), but may be evenly tapered to the scalp within 2 inches of the hair line edges. Bangs may not fall below the eyebrows, must lie neatly against the head, and not be visible underneath the front of any headgear if worn. The width of the bangs may extend to the hairline at the temple.

(b) Medium length. Medium hair is defined as hair length that does not extend beyond the lower edge of the collar (in all uniforms), and extends more than 1 inch from the scalp. Medium hair may fall naturally in uniform, and is not required to be secured. When worn loose, graduated hair styles are acceptable, but the length, as measured from the end of the total hair length to the base of the collar, may not exceed 1 inch difference in length, from the front to the back. Layered hairstyles are also authorized, so long as each hair's length, as measured from the scalp to the hair's end, is generally the same length giving a tapered appearance. The regulations for the wear of bangs detailed in paragraph (a), above, apply. No portion of the bulk of the hair, as measured from the scalp, will exceed 2 inches.

(c) Long length. Long hair is defined as hair length that extends beyond the lower edge of the collar. Long hair will be neatly and inconspicuously fastened or pinned, except that bangs may be worn. The regulations for the wear of bangs detailed in paragraph (a), apply. No portion of the bulk of the hair, as measured from the scalp, will exceed 2 inches (except a bun, which may extend a MAXIMUM of 3 inches from the scalp) and be NO WIDER than the width of the head. Buns must be located on the back of the head so that the top of the bun does not protrude higher than the top of the head. As cadets move on to the high school, this requirement will mandate wearing of hair (usually with buns placed lower on the head) so as to not interfere with the proper wear of any headgear. Prep cadets are encouraged to practice wearing styles that would meet the high school standard.

Examples of hairstyles considered to be faddish or exaggerated and therefore prohibited for wear with the SMA Prep uniform, include, but are not limited to, shaved portions of the scalp other than the neckline, designs cut in the hair, unsecured ponytails (except during PE), and unbalanced or LOPSIDED hairstyles are prohibited.

Pony tails, pig tails, or braids that are not secured to the head (allowing hair to hang freely), widely spaced individual hanging locks, and other extreme styles that protrude from the head are prohibited. Foreign material (beads and decorative items) may not be woven into the braids. Dreadlocks are unauthorized. "Twists" are unauthorized (except French Twists.) Hair extensions are authorized; however, they must have the same general appearance as the natural hair and conform to the above regulations.

Hair-holding devices are authorized only for securing the hair. Cadets will not place hair-holding devices in the hair for decorative purposes. All hair-holding devices must be plain and of a color as close to the cadet's hair as is possible or clear (e.g., a blonde may wear brown or clear hair-holding devices). Authorized devices include, but are not limited to, barrettes, combs, pins, clips, thin ($\frac{1}{4}$ " or less) headbands, or elastic bands. Devices that are

conspicuous, excessive, or decorative are prohibited. Some examples of prohibited devices include, but are not limited to, "scrunchies," beads, bows, claw-clips, wide headbands, and barrettes with butterflies, flowers, sparkles, gems, or scalloped edges or colors not closely matching the hair.

Jewelry Standards

While in any uniform, females may wear post-type earrings in gold, silver, white pearl, or diamond. The earrings will not exceed 6mm or 1/4inch in diameter; they must be unadorned and spherical (round). The ONLY body piercings allowed for females are earrings which may only be worn in the lowest piercing in the ear lobe. No other earrings are authorized. Males may not wear earrings while in uniform. Face piercing of any type, tongue rings, belly rings, and ear gauges are strictly prohibited. **Cadets who get new piercings during the school year that are not in compliance with the uniform policy must remove them immediately; they cannot be covered up by Band-Aids, etc.** We suggest you get new piercings during the summer months, so they have time to heal and don't necessitate posts to keep them open.

Both males and females may wear necklaces **IF** they are not visible in any uniform and the chain is no larger than the Army ID tags chain. No bracelets are allowed while in uniform. Both males and females may wear one ring per hand and a wrist watch: These must be conservative and not detract from the appearance of the uniform (no large or colorful rings and watches – you may only wear black, gold, or silver watches, or military in appearance, that are not oversized or ornate). No smartwatches allowed.

Cosmetic and Nail Polish Standards

Tattoos and Henna designs may not be visible while on campus and in uniform.

Males: Nail polish and makeup is prohibited.

Females: The ONLY type of nail polish authorized is CLEAR nail polish.

French tips (white, frosted or anything other than CLEAR) are not authorized. Females may wear cosmetics if they are conservative and complement the uniform and their complexion. Eccentric, exaggerated, or trendy cosmetic styles and colors are inappropriate with the uniform and are prohibited. Some examples of extreme makeup colors include, but are not limited to, purple, gold, silver, blue, black, white, red, camouflage colors, fluorescent colors, glitter and painted designs. False eyelashes are prohibited. Nails are to be neatly trimmed and not to exceed 1/4" from the tip of the finger.

Eyewear

Eyewear, including sunglasses, that is trendy or has lenses or frames with conspicuous initials, designs, or other adornments is not authorized. Cadets will not attach chains or ribbons to their eyewear. Glasses may not be worn on top of the head at any time.

Backpacks

Handbags, backpacks, and book bags will be conservative and professional in appearance. Advertising, cartoons, or other commercial designs are not authorized. Cadets are not authorized to write on their backpacks. Contents of the bag may not be visible; therefore, see-through or mesh bags are not authorized.

Hats

Hats, berets, or other headgear are NOT authorized for wear with any uniform at SMA Prep EXCEPT for specially designated programs as needed such as the SMA Prep Drill Team.

Special Dress Days

There will be occasions when students will be allowed to dress up, dress down, or wear special clothing for a dance or other event. Please keep in mind that SMA continues to have high standards for appearance, even when not wearing a uniform. All clothing must be tasteful and appropriate.

- No inappropriate writing or signs on clothing, such as anything pertaining to drugs, alcohol, profanity, nudity, or anything controversial or suggestive.
- Clothing may not be ripped, torn, or have holes, except when part of a special costume.
- No skin-tight clothing, with the exception of leggings, which may ONLY be worn with a dress, skirt, or shorts.

- No spaghetti straps, muscle shirts, tube tops, or tank tops.
- Shoulders and back must be covered.
- No midriffs or cleavage showing.
- The same jewelry and make-up standards apply as with wear of the uniform.
- Male cadets must be clean shaven.
- Shoes must be closed toe with heels no greater than 2". Both shoes must match.

Non-compliance for any dress or grooming standards

Cadets will be sent to the office until the dress-code issue is remedied or a plan approved by administration is in place.

SMA Prep is not responsible for lost or stolen items. Do not bring valuables to school. Lost and found is located at the front desk. Any item not claimed within 2 weeks may be re-purposed or thrown away. (Be sure to label uniforms, jackets, and personal belongings).
